Invention of an Expert Chemist

You probably have tried all sorts of remedies on your scalp without getting the desired results, until you have become discouraged and lost confidence in all hair remedies. Thouturned to using Seeby's Quinade, and have been so pleased with the re-sult, they would never again waste their time or money using anything

ade; it is highly medicated and is a real scalp food. Quinade stimulates and nourishes the roots of the hair, causing a natural growth of long, straight hair. It will make coarse, stubborn hair soft and silky, and easy to put up in the style desired. Quinade will positively allay itching of the scalp; and dandruff, which is the real cause of most hair and scalp troubles.

To get best results from the use of Quinade, one should shampoo the scalp every two weeks with Seeby's Quinasoap, a soap made entirely of pure vegetable oils. Quinasoap lathers very freely and is a thorough cleanser. It leaves the hair soft and fluffy and imparts a refreshing feel-ing to the scalp unequaled by any
